EXPERIENCE

Glazier, T&E Glass and Aluminium; Versailles, Ohio- 2023-2023

At this company I performed various similar tasks; installing storefront and glass, installing closers, installing doors, applying sealants or caulking, handling deliveries, operating a boom lift, fabricating aluminium frames, cutting steel, installing sub sills, communicate with other trades, installing glass stops, and installing commercial vinyl.

Glazier, SCS Construction Services; Cincinnati, Ohio- 2022-2023

At this job I did many similar tasks as the other companies since it is all glazing work. I installed interior frames and glass, fabricated aluminium frames, repaired old or broken storefront parts, replaced or repaired all glass doors, operated heavy equipment, and applied caulking or sealants.

Glazier, Benson Industries; San Francisco, California —2021-2022

At this job I performed various tasks such as; Setting unitised glass, caulking, setting aluminium panels, replacing glass, fabricating stick build, hand setting glass, operating boom and scissor lifts, setting doors, working out of a swing stage, operating a forklift, reading blueprints, organising various materials and staging them for installation, cleaning, installing floor closures, installing aluminium door panels, and installing starter sill.

Glazier, Global Erectors; Cincinnati, Ohio - 2019-2021

At this company I performed lots of similar jobs such as; hand setting glass, operating boom and scissor lifts, operating forklifts and telehandlers, working on a swing stage, installing sub-sills with end dams, reading blueprints, setting glazing in panels, installing shadow boxes, insulation, cleaning, repelling from a Bozeman chair, hand setting snap together frames, prepping frames for glass, installing wedge vinyl, organising materials, unloading trucks, installing doors, cutting metal and trim to fit, welding clips to steel structure, replacing glass, and caulking.

Crew Member, Wendy's; Independence, Kentucky - 2017-2018

I prepared food, cleaned dishes, communicated with customers, washed the floors, operated the grill, removed trash, operated the cash register
