Experienced Crew Leader Transitioning to Production Team Member

<https://www.jobcase.com/p/ruben.mancillas3>

A skilled and experienced Crew Leader with a strong background in heavy equipment operations and maintenance, seeking to leverage my skills in a Production Team Member role. I bring a proven track record in customer relations and team supervision, with a keen interest in contributing to a production team environment.

Work Experience

Construction Crew Member

Goode Construction

February 2022 - September 2022

- Participated in the construction of new homes, demonstrating teamwork and attention to detail. - Contributed to the remodeling of old homes, showcasing adaptability and problem-solving skills.

Crew Leader

Grounds Guys LLC

February 2021 - November 2021

- Led a team in mowing and route coordination tasks, ensuring timely and quality service. - Operated and maintained heavy equipment, demonstrating technical skills and attention to detail. - Managed customer relations, addressing concerns and ensuring satisfaction. - Operated skid steer, contributing to efficient operations.

Tree Trimmer

May 2020 - November 2020

- Provided support to trees and branches through cabling, bracing, tying, bolting, staking, and guying. - Operated shredding and chipping equipment, feeding limbs and brush into the machines. - Demonstrated proficiency in operating boom trucks and loaders, ensuring safety and efficiency.
