Work Experience

Mentor

Youth In Action - Indianapolis, IN

March 2015 to Present

March 15 - PRESENT

Company Name, - Youth in Action (317)809-1144 (contact info)

- Above all things with this program I teach kids how to pray it can be a meaningful and rewarding experience. As a mentor, it's important to create a safe and comfortable environment where kids feel free to ask questions and express their thoughts and feelings.
- Taking young kids out of town to fundraise can be a fun and rewarding experience for everyone involved. It can teach kids important skills like communication, teamwork, and problem-solving, while also raising money for a good cause. However, it's important to prioritize safety and make sure that all necessary precautions are taken before embarking on any trips.

Welder/Fabricator

AmeriFab Inc - Indianapolis, IN

September 2020 to March 2023

Landscaper/Carpenter

Motivational landscaping Co - Indianapolis, IN

March 2018 to February 2022

Motivational Landscaping is a family business it involved landscaping, designing and maintaining outdoor spaces, including gardens, lawns, and other green areas. It includes tasks like planting, mowing, trimming, and fertilizing. We often work with a variety of tools, like lawnmowers, hedge trimmers, and leaf blowers, to keep outdoor spaces looking their best.

Sales Rep

Blue Raven Solar - Indianapolis, IN

August 2020 to May 2021

Door to door sales of solar panels is a challenging but rewarding job. As a salesperson, I need to be able to communicate the benefits of solar energy clearly and effectively, and address any concerns or objections that potential customers might have. I also worked independently and manage my time effectively , as well as handle rejection and stay motivated. Furthermore I build relationships with potential customers and follow up with them in a timely and professional manner.
