2020 - Current **FedEx Express**

I am a Material Handler specializing in loading and unloading materials from aircraft. I am proficient in operating heavy equipment and have experience leading teams. I excel in multitasking in stressful environments, ensuring efficient transport of packages and freight to designated sorting and heavy-lifting areas. I am adept at safely loading and unloading aircraft, vehicles, and containers, including handling dangerous goods according to proper packaging and freight handling protocols.

SKILLS:

- Team leading
- Problem solving
- Fast learner
- Hands on
- Creative Thinking
- Positive Attitude
- Team player

2018 – 2019 **Costco Wholesale**

I have experience in Bakery, Cashier, Inventory Stocker, and Gas Station Attendant at Costco. I excel in customer communication, efficiently packing member orders into boxes and transferring items to cashiers. My duties included cleanup, cart retrieval, merchandise restocking, and fulfilling item requests. I also stocked and organized merchandise for sale in the warehouse. Maintained aisle cleanliness, and assisted members as needed.

EDUCATION

High School Diploma.
