Work Experience

Union Laborer

F.A. Wilhelm Construction Company-Indianapolis, IN

December 2023 to Present

Sewer systems, water facilities, rebar mats, concrete work, confined space testing

Construction Worker

REYNOLDS CONSTRUCTION, LLC-Orleans, IN

December 2022 to December 2023

Concrete division, been in their traveling team for a year now. I've built walls, pads, rebar mats, built forms, been learning finishing.

Crawlspace Technician

Crawlspace Doctor-Bloomington, IN

February 2022 to December 2022

I was a crew lead on a foundation & encapsulation crew. I ran a five-man crew for a little over six months we fix foundations under the house, including bricks, or even whole peers. We would fully encapsulate and waterproof the crawlspace or basement of home.

Carpenter/Laborer

Lockhart Construction-Paragon, IN

March 2020 to February 2022

I worked with two other people on a full home remodeling crew, we did everything all the way from building wooden porches to full 20-foot decks to vinyl, metal, wood siding. We did shingle repairs but have also done full metal roof's & installion. We did all electrical repairs, new fans installed, new doors. We would go all the way to full bathroom renovations to doing new floor all the way through the home. I have no problem with highs.
