Work Experience

- | | |
|---|---|
|  Firehouse Landscaping
Landscape Technician
Evansville, IN
June 2020 - August 2020 | Taking care of five different commercial properties. We performed mowing, adding mulch and stone, weeding, shrub trimmming, and adding and removing shrubs. |
| <hr/> | |
|  PGC Landscaping
Landscape Technician
Evansville, IN
April 2020 - June 2020 | Drive a pickup truck and trailer around to different sites to perform mowing, weed eating, and weed and litter control. Also sometimes perform mulch installs at residential and commercial locations. |
| <hr/> | |
|  Vincennes University
Peer-led Team Learning
Instructor
Vincennes , IN
January 2020 - May 2020 | Once a week, I help a class of first year students work through a worksheet given to the students by their professor over what they are learning that week. My job is to help them understand the material better and teach them new information if it has not yet been covered in class. |
| <hr/> | |
|  Vincennes University
Tutor
January 2019 - May 2020 | I assist students with Math and Chemistry classes that I have already taken. This job sometimes requires that I find different ways of communicating the same information to students until they understand the material. |
| <hr/> | |
|  Toyota Motor Manufacturing Indiana
Maintenance Technician
June 2016 - August 2018 | I was responsible for knowing how equipment in my area operated so that I could troubleshoot problems effectively and maintain the smooth operation of production lines. Aside from fixing problems as they arose, I participated in an array of preventative maintenance activities. I worked with everything from hydraulics, pneumatics, and motors to electronics and PLCs. |
| <hr/> | |
|  Evansville Department of Parks and Recreation
Lifeguard
May 2014 - August 2015 | I worked as a seasonal lifeguard at Howell Pool in Evansville. |
