EDUCATION

Post High School - Vertical Immersive, 2022-2024

Vertical Immersive is a hands-on, college-alternative program that centers on developing expertise in marketing, sales, entrepreneurship, and business development through real-world projects.

Coursework: Digital Storytelling, DSLR Video Production, Professional Communication, Business Writing, Rhetoric, Intro to Entrepreneurship.

HOBBIES & INTERESTS

I have a passion for storytelling. Reading and writing take up much free time, but filmmaking is where my heart lies. Many people only like a specific field, but I'm interested in an even split of writing, shooting and editing.

On top of this, my weekends are regularly filled with outdoor activities, like camping, backpacking, kayaking, running, and sports.
