ABOUT ME

Motivated and reliable professional transitioning into the skilled trades industry with a solid foundation in machine operation, safety, and hands-on care roles. Backed by recent certifications in OSHA 30 and NCCER Core, I am eager to contribute strong work ethic, adaptability, and team collaboration to construction and trade-based roles.

PROFESSIONAL EXPERIENCE

- Perry Township Schools**
Student Aid
Support teachers and staff in K–12 educational settings by assisting with classroom instruction, preparing lesson materials, supervising students individually and in groups, and performing administrative tasks such as maintaining records, grading assignments, operating classroom equipment, and attending staff meetings.
Feb 2025 - June 2025
- The Hershey Company**
Machine Operator
Operated and maintained production equipment to ensure quality and efficiency, follow safety protocols, report production issues, communicated with team members, participated in training, and maintained a clean work area.
Dec 2024 - Feb 2025
- Circle City ABA**
Registered Behavior Technician
Implemented skill acquisition and behavior intervention plans as directed by the supervising BCBA, ensured compliance with BACB guidelines by completing the RBT Competency Assessment annually, and collected accurate data for treatment plans and behavior programs for BCBA analysis.
Aug 2024 - Dec 2024
- Embracing Abilities**
Direct Care Support
Provided direct care to individuals with disabilities, ensuring safety and well-being, implemented behavior management plans to address challenging behaviors and promote positive interactions, and collaborated with healthcare professionals, family members, and caregivers to deliver comprehensive care.
Apr 2024 - Present
- Porex Filtration System**
Machine Operator
Operated machinery to maintain production and inventory, troubleshoot equipment for optimal performance and adhered to safety protocols to ensure a safe working environment.
Jan 2019 - Jul 2023
