Professional Summary

I'm Jacob but I'm called Jake also, I graduated in 2021 and I have an eagerness to join the trades and gain a love for hard work and an exercise of my abilities.

In terms of skills related to work, I'm used to a shop environment and labor culture, having landscaping as my first job. I worked for a year and learned much about the real world.

I am a kind of person that loves to learn new things, I study and read often. I am eager to observe and learn, with skills and/or book knowledge. I raise a family and need to ensure their provided for and have an ideal role model.

I'm looking more for the first steps of establishing a niche going then into trades and developing a life long career with an enjoyable craft of all trades.

Im also a Freemason, endowed to the obligations of becoming a better man. And making the world a better, more respectful place.

Work Experience

Remodeling Apprentice

Spencer Home Remodeling-Indianapolis, IN

April 2025 to Present

Learned a lot about home improvement and inner workings.

- How to troubleshoot AC Unit problems
- How to detect minor inspection issues
- How to replace deck lumber, joists, floorboards, catch warping, rotting, and correctly crown planks and notch them with objects.
- How to efficiently use power tools, Circ-saw, Sawzall, Impact and Drill.
- Where safety hazards are in the work environment
- How PVC is cleaned and installed relative to air ducts or plumbing.
- Proficient in reading a tape measure
- Proficient in reading a square

Amazon DSP Delivery Driver

Aylo Logistics LLC-Indianapolis, IN

September 2024 to Present

Simple, I drive a CDV (Custom Delivery Van) and load up the route given to me by my DSP and drop off Amazon packages to the recipients. I then finish off the day with unloading the van, doing a P-TI (Post-Trip Inspection) and cleaning it out.

- Consistent Pace
- Out in the Elements
- Solo Driving
- Heavy Packages
- Maneuvering Vehicles
- Customer Service
- Respecting Property

Pizza Maker/Cashier/Stocker/Cleaner

Donatos Pizza-Indianapolis, IN

November 2022 to March 2023

- Pizza Making/Cutting
- Server
- Cleaner
- Produce Stocker
- Cashier

I learned about handling customer service, but they should actually teach how to use devices for ordering, as I was slowing production because the system wasn't taught to me, making things time inefficient.

General Laborer/Machine Operator

Prestige Lawn Solutions-Indianapolis, IN

July 2021 to August 2022

Operated gas powered equipment and vehicles in 30-100° F Weather in all weather conditions. Managed customer service and was for a brief time the lead of a crew.

- Mower (36 - 72" Decks)
- Tree & Bush Trimmer
- Weed Trimmer
- Leafblowerman
- Shovelling and Mulching
- Tree Stump Grinder
- Snowplowing and Salt Spreading

Was commemorated as the quickest learner from the supervisors. I learned how to back up large F-550's and Isuzu's in tight spaces and operate controls that would attach to plows and salt augers. It was a good lesson on hand signal communication and patience, and hard work.

Education

High School Diploma

Decatur Central High School-Indianapolis, IN

July 2017 to May 2021

Skills

- Communication skills
- Snow Plowing
- English
- Tree Trimming
- Customer service
- Landscape Maintenance (2 years)
- Heavy lifting
- Mowing (2 years)
- AVANT Operator (1 year)

Awards

Commendable Improvement Award

2020

Certifications and Licenses

OSHA 10

February 2024 to Present

I received my OSHA 10 at LiUNA 120 as a mandatory safety exam before entering the work field. I learned about Delta P, Fall and Trip Hazards, Flagging Risks, Machine Operating Hazards, and more.

Driver's License

August 2023 to December 2030

Groups

Freemason

July 2025 to Present

I am affiliated with the Freemasons fraternity. I am an Entered Apprentice with a proud standing and dedication to self-betterment and self-improvement, aiming to make the world a better place by making myself a better person.
