Summary

As a Journeyman Commercial Flooring Installer at Indiana Kentucky Ohio Regional Council of Carpenters, Union 364. I have been installing and maintaining high-quality commercial flooring for various commercial General Contractor projects since 2018. I am certified in commercial flooring by the Carpenters International Training Fund, and I have extensive knowledge and experience in the materials and processes involved in this field. Certified OSHA 10 and 30. Certified forklift operator.

Owner and Operator of a tile and Flooring company since 1988 to 2018.

Licensed General Contractor for 8 years in Marion County, Indianapolis Indiana.

2015 Graduate Associates degree of Applied Science in CAD/CADD Drafting and Design Technology, which enables me to create and modify drawings and designs for flooring and other interior and exterior construction elements. I am proficient in Windows Office 365 and other software tools that enhance my technical and professional skills.

I am passionate about delivering excellent results for my clients and collaborating with my team members. I am always eager to learn new techniques and technologies that can improve my work and the industry standards.
