LIUNA Local 120 Journeyman (Since 2023)

PROFESSIONAL SUMMARY

Motivated LIUNA Local 120 journeyman with hands-on experience in heavy highway construction, underground utilities, and site preparation. Brings minor experience in top-guy responsibilities on storm pipe crews, along with a strong background as a landscaping crew leader. Skilled in drainage installation, traffic control, GPS/UTS layout, minor concrete work, and structural support tasks. Known for reliability, adaptability, and a strong work ethic in fast-paced construction environments.

CORE SKILLS

- Storm Pipe Installation (minor top-guy experience)
- Water Main Installation (limited experience)
- Underdrain Installation & Repair
- Traffic Control Setup & Certified Flagging
- GPS & UTS Layout and Grade Checking
- Block Retaining Walls with Drainage
- Box Culvert Work
- Minor Concrete Work (flatwork, forms, pours)
- Sheeting Installation & Removal
- Blueprint Reading & Site Coordination
- Former Landscaping Crew Leader

PROFESSIONAL EXPERIENCE**Journeyman Laborer – LIUNA Local 120**

Indianapolis, IN • 2023–Present

- Supported storm pipe crew operations, including layout assistance, trench prep, and limited top-guy tasks.
- Installed small sections of water main with proper bedding, alignment, and safety practices.
- Installed and repaired underdrain systems including pipe placement, trench excavation, and outlet tie-ins.
- Performed traffic control setup, flagging, and safety monitoring according to project requirements.
- Constructed block retaining walls with integrated drainage systems for long-term stability.
- Utilized GPS and UTS systems for grade checking, layout support, and verifying elevations.
- Assisted with box culvert operations, excavation, and material placement.
- Performed minor concrete tasks including forming, mixing, and finishing small pours.
- Installed and removed sheeting for excavation and structural safety.

PREVIOUS EXPERIENCE**Landscaping Crew Leader**

- Led crews in hardscaping, grading, drainage, and outdoor construction tasks.
- Operated small equipment and coordinated daily work plans.
