EXPERIENCE

Durbin Construction & Excavating, Mooresville, IN — Foreman

APRIL 2025 - PRESENT

Supervise daily operations, including coordinating with subcontractors, client, suppliers, worksite material procurement and allocation, site inspections, and employee training. Maintain routine equipment inspections and upkeep. Identify and mitigate any arising issues with site conditions, employees, and project completion.

G Tech Construction, Zionsville, IN — Foreman

SEPTEMBER 2024 - APRIL 2025

Monitored progress against established benchmarks, adjusting strategies as necessary to meet targets consistently. Provided comprehensive training for new employees, ensuring rapid integration into team dynamics. Championed company values through consistent modeling of ethical behavior and adherence to company policies.

F.A. Wilhelm Construction Co, Indianapolis, IN — Pipe Layer

APRIL 2024 - SEPTEMBER 2024

Installed and maintained various types of underground piping systems. Operated heavy machinery. Assisted in troubleshooting issues related to pipe alignment and flow. Demonstrated strong problem-solving abilities by addressing unexpected complications during pipe installation as they arose.

Sipes Asphalt and Concrete, Indianapolis, IN — Superintendent

FEBRUARY 2023 - MARCH 2024

Oversaw daily operations, ensured project timelines and quality standards were met or exceeded. Managed on-site personnel. Implemented safety protocols to reduce workplace incidents. Developed project schedules, tracking progress and adjusting resources as necessary. Reviewed design specifications critically for accuracy to identify potential issues before they escalated.
